

La Salle Primary School
P.1-5 Temperature and Rapid Antigen Test Record Sheet
(July & August)

Name of student: _____ Class : _____ (_____)

- Parents should take their children's temperature before going to school every day. For normal body temperature range, please refer to the "Reference Range for Temperature Screening" in the "Guidance Note on Monitoring of Body Temperature" by the Centre for Health Protection. https://www.chp.gov.hk/files/pdf/guidance_note_on_monitoring_of_body_temperature.pdf
If a student has a fever, he must not attend school.
- Parents must assist their children to complete a Rapid Antigen Test (RAT) every day in the morning. Students can only return to school after getting negative results. If tested positive, they must not go to school. Parents should inform the School of their positive results as soon as possible and stay at home. They should also report to the Department of Health as soon as possible within 24 hours via the "Declaration System for individuals tested positive for COVID-19 using Rapid Antigen Test" <https://www.chp.gov.hk/ratp/#>
- Parents should record their children's temperature and results of RAT daily, and sign on the record sheet. The record sheet should be returned to school for checking.
