

4th June, 2020

My Dear LSPS Students,

WELCOME BACK!

We look forward to welcoming you all back to school. We miss you all. Primary 4, 5 and 6 students will be back on Monday, 8th June. Primary 1, 2 and 3 will be back from Monday, 15th June.

As you can see in the picture, the teachers are all wearing masks and we are sitting in rows facing the front. We have also tried to keep a distance of 1 metre between the desks.

Here are some reminders for all of you:

- Remember to bring personal hygiene kit such as masks, hand sanitizer, tissue paper etc. to school every day.
- Bring water and individually wrapped snacks to school as the tuck shop will be closed and drinking fountains will not be used.
- Beware of the change of dismissal time:
 - ◇ P.1 & 6: 12:45
 - ◇ P.2 & 4: 13:00
 - ◇ P.3 & 5: 13:10

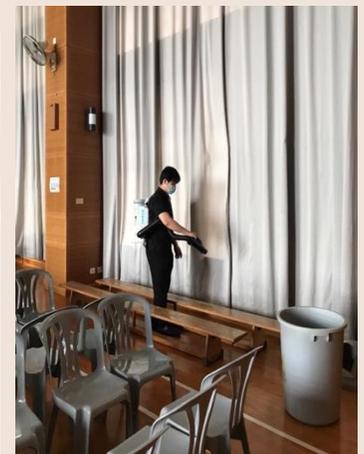

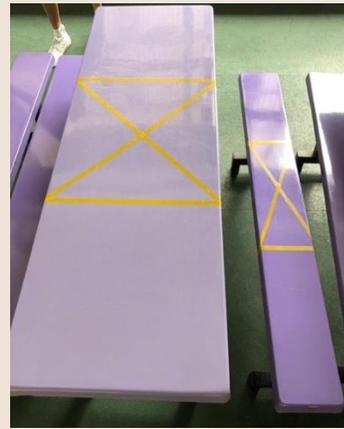

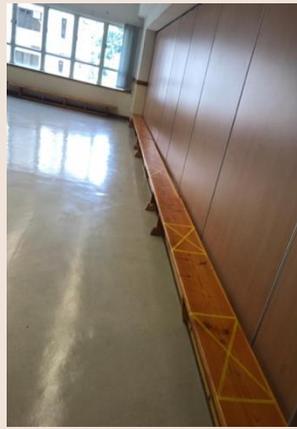

Please read the important reminders given on 1st June via CampusApp.

The School has adopted different measures for class resumption. Here are a few of them:

All staff, students, visitors etc. will have to go through the thermal detectors that have been placed at the Boundary Street entrance and the Foyer to check body temperatures.

We have placed labels on desks and chairs to remind students to maintain social distancing.

Residual antimicrobial surface coatings have been applied throughout the school.

A big thank you to parents, old boys and educational organisations who have donated anti-epidemic items at a critical time when supplies were low. The School has also purchased additional items to meet future needs. We have everything ready.

Here is a prayer I want to share with all of you:

Almighty God, we know that in life, there will be peaceful and challenging times. Ecclesiastes 3:1 says, "There is a time for everything and a season for every activity under the heavens." Though we are currently facing challenging times, we know that this too will soon pass.

We pray for all staff and schools managing the current COVID-19 situation while ensuring that learning and teaching proceeds normally as planned. In doing so, we are also educating our students that life will throw curveballs at us from time to time, but we have to work together and manage to the best of our abilities and become stronger.

Every student's health is our concern and we thank You for the good planning and measures that have been implemented, from daily screening through temperature checks while ensuring lessons stay engaging and meaningful.

Finally, help us hold fast to Philippians 4:6-7: "Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus."

Amen.

St. John Baptiste de la Salle,

Pray for us.

Live Jesus in our hearts,

Forever!
